

Celebrating 40 years of service  
in Third Party Distribution

## RGF Logistics Ltd - haulage services

A reputation built on 40 years of diligent service ...

RGF Logistics Limited has built its considerable reputation on delivering high quality contract haulage services to companies throughout the United Kingdom.

We have been offering this service for 40 years and we recognise that dedicated contract hire is all about retaining continuity for your business. As one of the UK's most established third party logistics providers, we offer a "one stop shop" solution to assist your supply chain operations.

### Our Haulage Services in detail:

- 40 years dedicated experience
- 100+ vehicle fleet
- 7.5 ton Artic vehicles available
- Curtain sided trailer with tail lift and moffett options
- Competitive rates available on request
- Satellite Tracking
- Contract Hire
- Spot Hire
- UK Mainland coverage

With so many service options available to, you backed up with 40 years of contract haulage experience throughout the UK and Europe, RGF Logistics Limited remain the number one choice for product distribution to your customers. RGF owns all its assets outright - our entire fleet, trailers, warehousing and properties are all purchased and owned. Which helps us to pass on excellent rates to both existing customers and prospective customers alike.

For more information about RGF Limited's traditional haulage services and to receive a competitive quotation, please call **Dave Edwards** (Sales Manager) on **0121 783 1100** or **07989 992519**.
