Celebrating 40 years
of service in
Third Party Distribution

RGF Logistics Ltd - the company

A high quality West Midlands based logistics business you can reliably depend upon...

Incorporated in 1969 and from humble beginnings as a local haulage business, RGF Logistics has grown into a respected multi-million pound turnover operation which is still privately owned.

Our success is sustained by the company's continued investment in the latest vehicles, property, technology and back office systems.

Quality Guaranteed

Our commitment to quality is endorsed by our ISO accredited status and with large distribution warehouses in Birmingham and Corby, we are well placed to serve the demands of a fast moving and ever changing industry. If you are looking for a third party warehousing and distribution solution RGF Logistics are the answer. With a dedicated fleet of modern vehicles and four UK distribution warehouses, RGF Logistics are one of the UK's most dedicated and professional hauliers.

RGF are totally committed to outstanding service, quality and competitive pricing on contract haulage, express transport, distribution services and warehousing. And as a 'one stop shop' for distribution of your product through our warehousing and transport network, we are strategically positioned to offer tailor made supply chain solutions for your business.

Contract Haulage:

With a sizeable fleet of modern vehicles, RGF Logistics are well placed to offer clients a high quality cost effective and reliable contract haulage service.

Third Party Logistics:

With four large distribution warehouses, all with pick and pack operations, we can efficiently distribute your products throughout the UK and Europe.

Back Office Systems:

With a bespoke transport system, KPI reporting and inventory management, we invest heavily in systems to provide our customers with the best services possible.
